YMCA Vision:

To build caring communities that create opportunities for life-changing relationships

Hello Sycamore Creek Families,

Can you believe that spring is just around the corner, I know that I am looking forward to the warmer temperatures and more sunlight. I am also looking forward to getting out and hiking, going to the beach, and going with Track Out to Camp Seafarer. Neela and Meredith have been enjoying playing some new games in the mornings and also the quality times to interact with the group. Thank you for the opportunity to work with your families and please let me know if there are any specific ways I can help you.

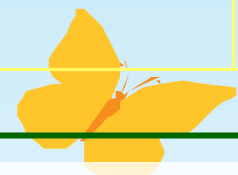

Here to serve, Dan Ryan

The Mission of the YMCA is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.
